

2018 Olympia Resident Interest Survey

Olympia Social Committee is hard at work planning activities for 2018. Please indicate which activity is of interest to you, and in the space provided, list other programs or activities you would like to see offered. Your input is very important to us.

Please return this survey **before** you leave the meeting tonight. Any questions you may have can be addressed while we're all together. Thank you for your candid feedback. Your comments and opinions are much appreciated by the Committee!
